

Cameras and Scientific Instruments / Wednesday, 28th April 2021 / Lot 1170

## LOT 1170

A large 19th century lacquered brass telescope, signed 'Thompson & Co 24, Manchester St, Liverpool', the main tube with rack and pinion focusing, length 96cm, mounted on a lacquered brass and black painted folding tripod stand, within a stained pine case.

Estimate: £100 - £200

---

## Condition Report

1170. Generally good condition. The brass is in good order with no significant damage or repairs. Rack and pinion focusing working. Nice clear signature. Both glass lenses appear to be in good order. Pillar and tripod stand in good order. Case is a bit knocked about with numerous scuffs and scratches and split to lid.
