

Collectors' Items, Works of Art and Light Fittings / Thursday, 29th April 2021 / Lot 2521

LOT 2521

A late 19th century ebonized walking cane, the Chinese Canton ivory handle carved with birds and dense foliage, length 89cm, together with another similar walking cane, length 91cm (fault).

Estimate: £80 - £120

Condition Report

2521. The longer ivory shafted example has a few tiny nicks to the very tip of the handle, but otherwise just has some minor surface wear.

The shorter ivory handle has a repaired crack across the top section, but otherwise just some minor surface wear.
