Estimate: £800 - £1,200

Condition Report

1010. The watch winds smoothly and is currently in good working order, but please be aware we give no guarantees to working order or reliability of any clock or watch.

The winding crown screws down nice and tightly. The case has typical scratches and wear commensurate with age. The case back has three small dents and some typical surface scratches and wear. Glass also has typical scratches and wear. The dial has some spotting and dirt specks, which can be seen in the online images. The black numerals and lettering are all in generally good clear order.
