Condition Report

1001. The watch is in good clean condition with good crisp decoration. No significant damage, wear or repair. Dial in good clean order. The watch winds smoothly and is currently running, and over an hour test period it is keeping good time, but please be aware we give no guarantees to working order or reliability of any clock or watch. The only issue is that it does not adjust and is missing its button to depress to the side of the winding crown.
