

Wristwatches and Pocket Watches / Wednesday, 28th April 2021 / Lot 1043

LOT 1043

A .935 silver key wind lady's fob watch, the silvered dial with gilt Roman hours and foliate surround, the case with engraved foliate decoration case, diameter 3.4cm, together with two other silver key wind ladies' fob watches, each with enamel dial and engraved case, case diameter 3.6cm and 3.8cm.

Estimate: £60 - £100

Condition Report

1043. Silvered dial - generally good condition. It winds smoothly, but does not run.

Larger enamel dial - winds and runs but only for a short while. Glass has a few nibbles to edge. Case with typical wear and scratches.

Smaller enamel dial - winds smoothly and runs, but only for ten minutes or so then restarts when moved.

Generally good condition. Typical light scratches to glass.
