LOT 2216

A George III and later chest-on-chest, fitted with two short and five long drawers, on bracket feet, height 160cm, width 110cm, depth 50cm (alterations).

Estimate: £80 - £120

Condition Report

2216. Nice quality drawer fronts with some repairs to cock beading. Four of the ring handles are missing and some of the remaining handles are bent. The chest was probably the central section of a wardrobe and does split in the middle. The top is later veneered.
