

Jewellery / Wednesday, 12th May 2021 / Lot 519

LOT 519

A single row necklace of thirty-three uniform oval vari-coloured mottled opaque butterscotch coloured amber beads, spaced with two matching disc shaped beads, terminating in a carved oval bead and two red silk tassels, gross weight 34.8g, length excluding tassels 54cm, length of each oval bead 1.5cm, diameter of disc shaped bead 7mm, length of carved bead 3cm.

Estimate: £100 - £150

Condition Report

519. Some variation of colour and inclusions to the beads. Rethreading with individual knotting is recommended. Slight rubbing to the drill hole edges of the beads as a result of not being individually knotted. Tassels are new. Overall good condition.
