LOT 532

A gold, platinum, ruby and diamond three stone ring, mounted with a square cut ruby and two circular cut diamonds, detailed '18ct & Pt', weight 2.4g, ring size approx N, and a 9ct gold and garnet cluster ring, weight 2.4g, ring size approx L1/2.

Estimate: £80 - £120

Condition Report

532. Ruby and diamond ring – some wear to the facet edges of the ruby. Diamonds look to be in good condition. Shank a little misshapen and requires straightening. Overall the ring is rather worn.

Garnet cluster ring – slight wear to the table facet edge.

Both rings would benefit from careful professional cleaning.
