LOT 533

A 9ct gold, sapphire and diamond cluster ring, weight 2.3g, ring size approx R1/2, three 9ct gold and gem set rings, total weight 4.3g, and a colourless gem set eternity ring.

Estimate: £100 - £150

Condition Report

533. Sapphire and diamond cluster ring - the sapphire is of dark colour saturation, the surrounding small diamonds have one or two internal and surface reaching inclusions and are not held in by claws.

Smaller sapphire and diamond cluster ring - the sapphire is fairly rubbed and the claws are very worn.

Colourless five stone ring - good condition.

9ct gold chain ring - good condition.

Colourless eternity ring - considerable wear to the gems.

All rings would benefit from careful professional cleaning.
