### LOT 572

A gold, sapphire and diamond three stone ring, mounted with a cushion cut sapphire and two cushion cut diamonds in a twistover design, detailed '18ct', weight 2.8g, ring size approx K.

Estimate: £70 - £90

---

### Condition Report

572. Small split to the edge of the collet setting of the sapphire. Minor surface wear to the table facet edges of the sapphire. The diamonds have one or two piqué inclusions but are none the less attractive white stones. The ring would benefit from professional cleaning. Shank in good condition. Suggested age – 1940s.
