### LOT 629

A gold, moonstone and turquoise nine stone cluster ring, claw set with a moonstone within a surround of eight turquoises, weight 2.6g, ring size approx J.

Estimate: £120 - £180

---

### Condition Report

629. Moonstone surface a little rubbed. Some variation of colour to the turquoise. Some turquoises have minor surface wear commensurate with age. Evidence of glue to the setting of one turquoise and another turquoise by the shoulder has probably been replaced. Suggested age – early 20th century.
