LOT 761

A gold ring, mounted with a foil backed cushion cut citrine within a surround of cultured and imitation pearls, weight 4.2g, ring size approx J1/2.

Estimate: £40 - £60

Condition Report

761. This ring is reconstructed. The setting of the foil backed citrine would indicate early 19th century, the mounting to the pearl surround and the shank, which is lead soldered into position, are of a later date.
