LOT 694

A gold, silver, diamond and synthetic sapphire bar brooch, fitted with a safety chain, weight 4.1g, width 6.9cm, cased, a colourless paste set brooch, detailed '935', weight 6.3g, width 3.2cm, two silver and enamelled brooches, a green paste set costume ring and a gold back and front circular pendant locket.

Estimate: £100 - £150

Condition Report

694. Synthetic sapphire bar brooch - largest diamond with chip to table facet, the other diamonds/synthetic sapphires with one or two small chips. Pin slightly bent. Some crudeness of construction to the collet settings.

Paste brooch - in fair condition, the colourless pastes have evidence of wear with one or two chips.

Pale blue enamel brooch - pin badly bent, enamel in good condition.

Tied bow enamel brooch - some damage to the pale blue enamel, pin ok.

Ring - some tiny chips to paste, otherwise ok.

Locket - one or two small dents, clear hallmark, loop worn, otherwise ok.
