

Jewellery / Wednesday, 12th May 2021 / Lot 621

LOT 621

A gold, amethyst and diamond ring, mounted with two faceted pear shaped amethysts and two rows of three circular cut diamonds, detailed '14K', weight 6g, ring size approx R1/2.

Estimate: £120 - £160

Condition Report

621. In generally good condition. Amethysts with one or two tiny nicks to facet edges near girdle. Diamonds are fairly included stones. The ring would benefit from a clean.
