

Jewellery / Wednesday, 12th May 2021 / Lot 568

## LOT 568

A gold and diamond single stone ring, claw set with a circular cut diamond, detailed '18ct', weight 2.7g, ring size approx M.

Estimate: £250 - £350

---

## Condition Report

568. There is a long inclusion on one side of the stone which is near the surface. The diamond is otherwise bright and sparkling. The ring is otherwise in generally good condition, but would benefit from a clean as it is quite dirty. The ring has not been professionally graded.
