LOT 2086

A 20th century Arts and Crafts style ash side cabinet with wrought metal strapwork hinges, height 153cm, width 107cm, depth 50cm.

Estimate: £30 - £50

Condition Report

2086. The wardrobe would have originally had a cornice, as you can see where wooden block would have retained this. The top is unpolished pine. The lower left side has come away slightly and has a small crack to the front panel, but with a tap from a rubber mallet this has gone back in quite nicely. Otherwise minor scuffs and surface marks.
