LOT 2005

A George III satinwood writing desk, the tambour shutter enclosing drawers, pigeonholes and a leather-lined writing surface, the frieze with two tulipwood crossbanded drawers, height 95cm, width 107cm, depth 60cm (some minor faults).

Estimate: £400 - £600

Condition Report

2005. The desk has overall minor surface cracks to the veneer and a few small patches of repair to veneer, including triangular patches to top and one side. There are a few other smaller repairs to areas of crossbanding and stringing. One small piece of veneer missing to edge of tambour, cracks to leather and some surface wear to interior. The drawer handles are later replacements and there is considerable wear to the castors, one cap bearing slightly torn. Otherwise, generally in good order.
