### LOT 2122

A 17th century style oak drop-flap occasional table, on bobbin turned legs, height 72cm, width 58cm, together with a George III provincial oak hanging corner cabinet, height 88cm, width 70cm.

Estimate: £40 - £60

---

### Additional Comments

2122. The table is early 20th century and the removable plaque states that the wood used to make it came from Queen Victoria's yacht 'Osborne', which was decommissioned in 1908.
