LOT 2011

A 19th century teak campaign chest, brass bound and with inset brass handles, fitted with two short and three long drawers, on bun feet, height 103cm, width 93.5cm, depth 40cm.

Estimate: £300 - £500

Condition Report

2011. The top has a thin hairline crack running across its length and there are a few other minor cracks to the timber throughout the chest, but generally the overall condition is ok. It has the normal scuffs, marks, bumps and bruises that you would expect to see. there is evidence of some historic woodworm to the base board and some slight sun fading to right front corner.
