LOT 2029

A 17th century and later oak refectory table, the rectangular top on block legs and bracket feet, height 79cm, length 170cm, depth 75cm (alterations).

Estimate: £150 - £250

Condition Report

2029. The single-piece top has some inserted pieces of wood later fitted to the surface and a crack to one end. The base has some old historic woodworm, but is structurally quite sound.
