

Furniture / Thursday, 27th May 2021 / Lot 2128

### LOT 2128

An 18th century oak wall cabinet, enclosed by a single fielded panel door above two short drawers, height 76cm, width 72cm, depth 23cm.

Estimate: £150 - £250

---

### Condition Report

2128. Generally solid and hinges are in working order. It appears to have been altered around the drawers, as there are pieces of moulding that are cut where they should not be. The drawers have been later made to fit. The top section all seems to be period, but clearly the bottom section has been altered.
