

Collectors' Items, Works of Art and Light Fittings / Thursday, 27th May 2021 / Lot 2618

### LOT 2618

A late 19th century moulded stoneware bust of Clytemnestra, height 25cm, an Art Deco style painted plaster female mask, detailed 'FJ De Geijter'?, length 24cm, and a cast plaster wall plaque, moulded with a classical female figure and angel, height 46cm.

Estimate: £50 - £80

---

### Condition Report

2618. Clytemnestra has two small chips to the bottom edges and is missing what would have been a socle base. The Art Deco head has a few small chips, a few small patches of touching in and a thin hairline to the bottom edges.

The plaster relief plaque has a re-glued section to lower right corner and some overall small chips and surface wear.
