### LOT 1155

A Japanese brown patinated cast bronze model of a tiger by Omori Mitsumoto, Meiji period, modelled standing in a roaring pose with striped patination, cast signature seal to underside, length 57cm, on a naturalistic wood stand.

Estimate: £300 - £500

### Condition Report

1155. The tiger is in good condition with no significant damage or repairs. It is a bit dusty and dirty and would benefit from a clean, but otherwise stripe patination is good with only light surface scratches and wear. Good clear signature seal.

The wood stand is in generally good order, but does have some minor nicks, natural shrinkage cracks and wear, but is sound.
