LOT 1189

A Chinese green hardstone snuff bottle, probably early 20th century, of flattened rounded form with coral mounted stopper, height 7cm.

Estimate: £50 - £80

Condition Report

1189. The bottle is not particularly well carved or polished. There are also some minor chips around the neck/rim and a small chipped area to the shoulder which has been filled in with a dark green patch of filler. The other side has some unevenness to its surface.

The coral stopper with metal spoon is 5.5cm long and weighs 7.2g. The coral top has some scuffs and scratches to top and sides and some internal hairlines are visible under magnification. Also a small blemish to one side.
