LOT 1096

A Japanese carved ivory okimono figure group of tortoises, Meiji period, finely modelled with a large tortoise grasping a lotus stem, as three small tortoises clamber over its shell, unsigned, length 7.5cm, height 3.6cm.

Estimate: £300 - £400

Condition Report

1096. Good condition with no significant damage or repairs. typical light surface wear. There is a natural shrinkage crack/blemish to the ivory at the lower section of the principal tortoise's neck, this runs under the shell and along its left leg, but please note this is natural and not subsequent damage.
