LOT 1

Pietro Barucci - View along a Venetian Canal, late 19th century oil on canvas, 50cm x 30cm, within a gilt composition frame.

Estimate: £500 - £800

Condition Report

1. In very good original condition. Kept behind glass, so only very minor surface dirt. A few small fissures of craquelure. U.V. examination only highlights a greening of the varnish which makes it difficult to see how much, if any, overpainting has occurred. The varnish has started to discolour to the naked eye. The frame has been repainted 'gilt' and has significant cracking to the composition mouldings. One section to the outer edge is missing. Other minor knocks and bumps are present. This has not been examined out of the frame.
