Condition Report

18. Paper is very clean, as if cleaned at some point. It also appears to be laid down to repair a small tear to the background in the bottom-right. Some minor bubbling to paper around this are too. Another small scuff or mark top right. A single spot of foxing near the rider's head. Some minor detritus trapped beneath glass.

Mount and backing do not appear to be archival.

Frame with minor scuffs and knocks.
