LOT 45

British School - Landscape with Figures crossing a River in a Punt, late 19th century oil on canvas, indistinctly signed twice, 49cm x 75cm, within a swept gilt composition frame with foliate scroll crests.

Estimate: £150 - £250

Condition Report

45. Relined, cleaned and restored. Previous cleans have left the paint very thin in areas and underpainting is showing through in places. UV examination shows some overpainting throughout. Old varnish has started to yellow and discolour. Some subsequent surface dirt. One signature in red has an additional signature in brown over the top, neither are readable due to previous cleans, although it looks like 'James' is the first name of the darker signature on top, and the surname of the red signature may end 'nce'.

Modern frame is in good condition with but with one section of moulding on the bottom edge coming away and a nearby piece lacking.
