LOT 2671

A late Victorian gilt bronze and Japanese Imari porcelain table oil lamp by Hinks, the cranberry glass reservoir above a canted rectangular body, decorated with birds and flowers, height to top of burner 60cm.

Estimate: £80 - £120

Condition Report

2671. Much of the gilding on the bronze elements is worn away, leaving only remnants, otherwise just worn high points to metal. The cranberry glass reservoir is dirty but free of any cracks or chips. There is a small surface chip to one shoulder of the porcelain body. Otherwise, there is some wear to the winding mechanism which is a bit stiff.
