LOT 2716

A small collection of LP records, mainly Beatles, including an early mono numbered pressing of The Beatles 'White' album, including photos and poster (lacking one black inner sleeve).

Estimate: £50 - £100

Condition Report

2716. The sleeves are a bit age toned, scuffed and creased in places, the 'White' album having bumps to corners and deterioration to edges. The records are quite well used with surface scuffs and light scratches.
