### LOT 2001

A large late Victorian carved oak extending dining table, the top fitted with four extra leaves, the fluted frieze cornered with lion masks above heavy carved acanthus leaf legs and castors, height 77cm, unextended length 132cm, extended length 325cm, depth 139cm.

Estimate: £400 - £600

---

### Condition Report

2001. The overall condition, appearance and structure is good, the substantial middle leg giving extra stability in the middle. There are a few chips to the protruding carving on the legs and there are some minor cracks vertically to the legs, but otherwise just minor scuffs and scratches.

Height to skirt 61cm.
