

Collectors' Items, Works of Art and Light Fittings / Thursday, 24th June 2021 / Lot 2642

LOT 2642

A group of mixed collectors' items, including a late 19th century carved treen urn and cover, height 15cm, an early 19th century French circular snuff box, a Black Forest double photograph frame and a chinoiserie papier-mâché bracket.

Estimate: £50 - £80

Condition Report

2642. PART CONDITION REPORT ONLY - if you require information on any other item please request this.

Treen urn - the base has a very small indentation to edge and there is overall very minimal surface wear and dirt. One of the handles has some glue residue around its edge where it has been re-attached.
