LOT 328

An Art Nouveau silver mounted photograph frame, embossed with flowers and foliate sprays, Birmingham 1909 by Deakin & Francis Ltd, height 21cm, together with a George V silver mounted cut glass atomizer, Birmingham 1927, height 12.5cm.

Estimate: £60 - £100

Condition Report

328. The frame is in generally good order. The silver has typical light surface wear to highpoints, some of which have worn through to small holes, not obviously noticeable but apparent under magnification. Silver in bottom left corner bent up slightly. Good clear hallmarks. Would benefit from a clean. Velvet mounted back with typical wear, but no significant damage.

Atomiser in generally good condition, with no significant damage or repairs. Button on top bent slightly. Good clear hallmark.
