LOT 2186

A set of six mid-20th century Ercol 'cowhorn' elbow chairs designed by Lucien Ercolani, model 451, the solid seats raised on turned legs, height 77cm, width 52cm.

Estimate: £500 - £800

Condition Report

2186. All six chairs have fairly typical surface wear to hand rests, as well as overall minor scuffs and scratches. They also have either small brass 'L' shaped cushion hooks screwed into the rear edge of the seats, or the holes where these would have been. Three of the chairs also have two dowels fitted to the rear side of the seat panels.
