

Jewellery / Wednesday, 30th June 2021 / Lot 517

LOT 517

A gold and diamond ring, mounted with the principal circular cut diamond in a square shaped setting between diamond single stone stepped shoulders, unmarked, weight 2.6g, ring size approx O.

Estimate: £250 - £350

Condition Report

517. The principal diamond is approx 5mm in diameter. The principal diamond appears to have had a knock to the table facet resulting in a scuff mark to the surface. The stone is fairly clear, bright, white and sparkly.

The side diamonds are fairly included stones. There is some wear to the collet setting. Otherwise the ring is in generally good condition.
