LOT 518

An 18ct gold, sapphire and diamond ring in a shaped square design, claw set with a circular cut sapphire, otherwise set with small circular cut diamonds, Birmingham 1964, weight 3.9g, ring size approx O (one diamond lacking).

Estimate: £100 - £150

Condition Report

518. The sapphire is of dark colour saturation, with some wear to the table face edges and a few small chips to the girdle.

The diamonds have some variation of colour and have a few inclusions seen under magnification. One diamond lacking from the outer corner of one side.

There are a couple of splits to the claw setting underneath the cluster, and one or two dents and scuffs to the shank.
