LOT 519

A gold and opal five stone ring, mounted with a row of circular opals in a twist design, unmarked, weight 5.8g, ring size approx L.

Estimate: £150 - £200

Condition Report

519. The opals have some wear overall. Some surface scratches, one or two small chips and dirt is reducing their lustre and muting slightly their play of colour. The play of colour is largely green/blue/purple. The ring has been resized in the past. Minor scratching and scuffs to the shank. The ring is generally in good condition.
