LOT 604

A gold ring, claw set with an oval cabochon star sapphire, weight 3g, ring size approx M.

Estimate: £60 - £90

Condition Report

604. The sapphire has a couple of large chips to the underside, both hidden partially by the central claws on either side. Otherwise, some light surface wear to sapphire. A few minor scratches and dents to the shank, otherwise the ring is generally in good condition.
