LOT 622

An 18ct gold ring, claw set with an oval cut emerald between two circular cut diamonds, weight 2.2g, ring size approx J1/2.

Estimate: £100 - £150

Condition Report

622. The emerald is a fairly cloudy included stone, with some heavy wear to the facet edges. The emerald has had a knock to the table resulting in a chip and fracture internally, the chip noticeable without magnification. Large deep scratch to the bottom edge running horizontally. Diamonds have a few inclusions, but are fairly clear stones. The shank has a few minor dents and scratches. One or two claws beginning to show signs of wear.
