LOT 761

A 9ct gold ring, claw set with a row of three oval cut amethysts, Birmingham 1977, weight 3.5g, ring size approx P, a 9ct gold and cabochon amethyst single stone ring, weight 2.2g, ring size approx P, and two further gold and gem set rings.

Estimate: £100 - £150

Condition Report

761. Three oval amethyst ring - couple of claws with wear to the sides. Resized in the past, small dent and minor wear to shank.

Cabochon amethyst ring - central internal inclusion, noticeable without magnification. Scratch to one side of cabochon. Some wear to back of shank, slightly misshapen near mount.

Garnet two stone ring - minor wear to garnets. Possible repair to back of shank, with test marks on shank.

Blue colourless gem ring - engraved decoration worn in places, stones generally heavily rubbed.
