

Wristwatches and Pocket Watches / Thursday, 15th July 2021 / Lot 1093

LOT 1093

A Pultra 10 watchmaker's lathe, cased (some missing implements).

Estimate: £80 - £120

Condition Report

1093. The lathe itself has obviously been used, it has typical wear and is dirty but does not appear to have any significant damage.

Please refer to image 2 on our website which shows there are numerous apertures missing their pieces/implements.
