

Collectors' Items, Works of Art and Light Fittings / Thursday, 22nd July 2021 / Lot 2580

LOT 2580

An early 20th century Viennese cold painted cast bronze table lamp in the form of two budgerigars perched on a branch, raised on an oval onyx base and fitted with a painted shade, total height 42cm.

Estimate: £300 - £500

Condition Report

2581. Both birds have some slight paint loss to surface of tail feathers and otherwise just some minor paint loss to high points. The shade has a small crack in it and has become unattached from later light fitting bracket.
