Condition Report

1004. The watch is in generally fairly good condition with no significant damage or repairs. It would certainly benefit from a clean. The case and bracelet have typical light surface scratches and wear. Clasp in good working order and sprung bracelet in good shape.

Diamonds are bright and sparkly. Dial is a little dirty and worn with some blue/green marks around edge. The movement winds and adjusts smoothly and is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch.
