LOT 2157

A late Victorian gilt painted overmantel mirror, the arched frame with putto and fern surmount, height 73cm, width 113cm.

Estimate: £40 - £60

Condition Report

2157. The frame has had some repairs to the top crest, having quite a lot of putty added to the rear of the ferns where they could have been damaged. Most of the restoration is covered by quite a thick coat of gold paint, so there is only a few small cracks visible to the left lower corner.
