LOT 2048

A set of ten 20th century George III style mahogany dining chairs, comprising two carvers and eight standards, height 97cm, width 60cm, together with a reproduction mahogany D-end dining table, height 74cm, extended length 304cm, depth 114cm.

Estimate: £150 - £250

Condition Report

2048. One carver has a crack to the joint where the armrest meets the support. One standard chair has a repaired stretcher. Otherwise they are in good condition with typical surface wear and slight knocks. The D-end table is stable and goes together well. Overall good condition with a few deeper scratches to one end.
