LOT 1401

A rare Charles Bourne Staffordshire porcelain model of a pug dog, circa 1830, the white animal with gilt collar, seated on a dry blue glazed gilt tasselled cushion base, iron red painted 'CB' mark to base, height 6.8cm.

Estimate: £50 - £80

Condition Report

1401. Generally good condition with no significant damage and no restoration. There is however a hairline running down the spine of the dog from the collar to tail and the same running down the centre of the dog's tummy up to the collar. These are running along the mould lines. Otherwise minor wear to gilt and a little dusty, so would benefit from a clean.
