LOT 535

An 18ct white gold and diamond bracelet, designed as a row of circular cut diamonds between two rows of smaller circular cut diamonds, detailed '18kt 750', weight 33.6g, length 18.5cm.

Estimate: £2,000 - £3,000

Condition Report

535. The diamonds look to be attractive white stones, with one or two internal inclusions. The bracelet is in good condition. Clasp closes properly and securely. The bracelet is rather dirty and would benefit from careful professional cleaning.
