LOT 590

An Asian gold, ruby and cultured pearl frame of shaped rectangular design, decorated with a scroll pierced border, unmarked, weight 25.2g, dimensions 7.7cm x 7.5cm (two rubies and one cultured pearl lacking).

Estimate: £750 - £950

Condition Report

590. The miniature frame is probably of Indian manufacture and therefore of high grade gold. The quality of workmanship is rather basic. Some of the rubies are possibly synthetic. Suggested age ◆ early 20th century.
