### Condition Report

591. Diamond heart pendant - the diamonds have a few internal inclusions. The piece is generally in good condition.

Sapphire/diamond marquise pendant - sapphires have a few internal inclusions, but are well matched for colour. Diamonds have a few inclusions.

Blue gem oval cluster pendant - sapphire with wear to the facet edges, deep crack running horizontally across top third of stone.

Pear blue gem cluster pendant - few scratches to the facets.

Blue gem lozenge pendant - fairly included stones, minor surface wear.

Red/brown gem cluster pendant - couple of tiny nicks to facet edges.

Neckchain - minor wear overall.

Otherwise all pieces in generally good condition, but would benefit from a professional clean.
