

Jewellery / Wednesday, 4th August 2021 / Lot 677

LOT 677

A white gold, sapphire and diamond ring, claw set with three cushion cut sapphires, otherwise set with circular cut and baguette diamonds, detailed '18K', weight 5.4g, ring size approx N.

Estimate: £120 - £180

Condition Report

677. Sapphires of dark colour saturation. Central stone with few chips to girdle, top and bottom, side sapphires less so. Some nicks to facet edges of sapphires.

Diamonds with a few internal inclusions.

Potentially a few of the prongs of the mount have been repaired in the past, with evidence and lead solder.

General wear, scratching and a few small dents to the shank.
